Barefoot Bowls in Waubra

Come and join the members of Waubra Bowling Club for an evening of fun and frivolity.

Friday Evening, 28th November 2014

Lawn Bowls is the most inclusive sport in the world. It doesn't matter what age, gender or disability you might have, you can still play and enjoy the game with anyone.

We will be playing a shortened (T20 style) format of the game designed for beginners, so don't worry about learning rules or practicing, that's not what the night's about.

Raffles, special competitions, and BBQ provided.

No experience necessary, just come along and have fun learning how to bowl.

Ring, text or email Pete Beckwith so we can cater for you
