

Waubra Wind Farm, Scholarship

ACCIONA is a global leader in the development and management of renewable energy, infrastructure and water services. With more than a century of experience and a workforce exceeding 30,000 employees, we operate in more than 30 countries across five continents

ACCIONA Energy has built and owns three wind farms in Australia, one through a joint venture, and has developed a strong pipeline of projects for construction. The wind farms at Waubra in Victoria, Gunning in New South Wales and Cathedral Rocks in South Australia produce 304.5MW of green energy, equivalent to the energy needs of 205,000 households.

The Waubra Wind Farm is located 35kms northwest of Ballarat and has been fully operational since August 2009.

The scholarship is open to all students from the local area wishing to enter further study in TAFE or University in 2015.

Eligibility and Payment Criteria

- All students residing in the Pyrenees and City of Ballarat shires, hoping to enter university or TAFE in 2015, are eligible to apply.
- Applicants who are offered an ACCIONA Scholarship will be required to provide proof of enrolment in 2015 and also provide evidence of mid year pass grades in subjects studied for with 2015 tertiary study. Scholarship payment for 2015 will be allocated in two instalments. One payment of \$2500 when proof of enrolment is produced in February 2015 and another payment of \$2500 when half yearly results are produced in July 2015. Scholarship money will be returned to ACCIONA if tertiary studies are ceased or deferred for any reason in 2015.
- Selection of the successful candidates will be made according to academic merit, financial need and with reference to applicant's written statement (500 words) regarding their school activities and responsibilities, community involvement and future career aspirations.
